\*\*\* U4, U5 and U6 – Red or White level – Please visit the Red or White Candy Level Information link (click Sign up and Play) on our website to help determine the most beneficial placement of your child.

\*\*\*\* Practice & approximately half of the games are held at Finley Ray. Away games can be up to 30 minutes away. Some travel for male wings.

If your child wants to “**play up**” from the age group as denoted above; you must indicate this at the time you submit your registration form. All play up requests will be reviewed/approved on an individual basis. Candy league cannot “play up”.

**Team Draw:** Starting in the Spring of 2011, we will be changing our primary season from fall to spring. In order to prepare for this change, we will attempt to keep returning spring players who are still in the same division with their Spring 2010 team (even if there is a new coach). Adjustments may need to be made for age requirements. Returning players must sign up by the early bird date in order to have the opportunity to play on the same team. Returning players who move up to a new division and new players will be randomly assigned to teams according to SAY National rules.

**Requests for a specific coach, team, player, or practice night cannot be honored.  
We cannot change teams once they are established.**
